SOME NOTES

1) The Canadian Stamp illustrated on the cover, the 'G' overprint, should read 'Lot 327'. This has been changed. 1/11/24

2) Lot '327' has been changed to read 'Postage Dues and Official stamps, all used... This has been changed in the catalogue. 1/11/24

3) The number of lots originally announced was 480. This is incorrect. The lot numbers go up to 477 but two lots were withdrawn. Thus, total lots = 475.
